Hiranandani Beach Classic, Versova – A statement in fine craftsmanship that withstood the test of time

Hiranandani Beach Classic was developed in the 1970's on the Versova beach and till today it is the most standout and superlative structure, a testament to the quality and craftsmanship of Hiranandani.

Versova, the most promising locale for the creators

What truly sets Versova apart is the life it offers, it is as glamorous as it is grounding.

A place that's as happening as it is personal, as dynamic as it is calm.

It's where the city's creative pulse finds expression, where the Bollywood fraternity, artists, and thinkers come together to shape what's next.

And through it all, the sea remains a constant presence, a quiet, expansive backdrop to a lifestyle that feels limited edition.
